**Cigna Medicare Supplement Insurance policies**

Insured by Cigna Health and Life Insurance Company

THIS IS A LIMITED POLICY which must be used to supplement your Medicare coverage. This is a solicitation for insurance. An insurance agent may contact you. Our company and agents are not connected with or endorsed by the U.S. Government or the federal Medicare program. Premium and benefits vary by plan selected.

## Feel confident in your decision

**A Medicare Supplement insurance plan, also called a Medigap plan, is a separate policy that works with Medicare Part A (hospital services) and Part B (doctor's services and supplies) and helps you manage your medical costs. Cigna Medicare Supplement insurance helps protect you against high out-of-pocket costs by helping pay for eligible health care expenses not covered by Medicare.**

### **Guaranteed renewable policy for life<sup>1</sup>**

Your policy is guaranteed to be renewed if premiums are paid on time. And you cannot be singled out for a rate increase based on your health, no matter if your health changes. Premium rates change annually if the policy purchased is attained-age rated. Your premium may also change if the premiums for all policies like yours in the state where your policy was issued change or if coverage under Medicare changes.

### **Freedom to choose your doctors**

All Medicare Supplement plans allow you to choose your doctors. There are no provider networks or referrals required.<sup>2</sup> So, you can go to the doctors you know and trust.

1. Your policy cannot be terminated for any reason other than nonpayment of premium or material misrepresentation in the application for insurance. The company reserves the right to increase premiums on a class basis.
2. In some cases, a referral is required.

## Exclusions and limitations

The benefits of this policy will not duplicate any benefits paid by Medicare. The combined benefits of this policy and the benefits paid by Medicare will not exceed 100% of the Medicare eligible expenses incurred.

These policies will not pay benefits for:

- › The Medicare Part B Deductible (not applicable in plans F and High Deductible F);
- › Any expense which you are not legally obligated to pay; or services for which no charge is normally made in the absence of insurance;
- › Any services that are not medically necessary as determined by Medicare;
- › Any portion of any expense for which payment is made by Medicare or other government programs (except Medicaid); or for which payment would have been made by Medicare if you were enrolled in Parts A and B of Medicare;
- › Any type of expense not a Medicare-eligible expense except as provided for in the policy; and
- › Any deductible, coinsurance or copay not covered by Medicare, unless such coverage is listed as an additional benefit in the policy.

## Preexisting conditions

These policies will not pay for any expenses incurred for care or treatment of a preexisting condition for the first six months from the effective date of coverage. This exclusion does not apply if you are applying for and are issued the policy under guaranteed issue status; if on the date of application for the policy you had at least six months of prior creditable coverage; or, if the policy is replacing another Medicare Supplement policy and a six-month waiting period has already been satisfied. Evidence of prior coverage or replacement must be on the application for the policy.

If you had less than six months prior creditable coverage, the preexisting conditions limitation will be reduced by the aggregate amount of creditable coverage. If the policy is replacing another Medicare Supplement policy, credit will be given for any portion of the waiting period that has been satisfied.

A preexisting condition is a condition for which medical advice was given or treatment was recommended by or received from a physician within six months prior to the policy effective date.

## Household discount

Household discount is a discount that is available when more than one member of your household enrolls or is enrolled in a Medicare Supplement policy provided by or through an affiliate of Cigna Health and Life Insurance Company. Household is defined as a condominium unit, a single family home or an apartment unit within an apartment complex. Assisted living facilities, group homes, adult day care facilities and nursing homes, or any other residential health facility are not included in the definition of "Household." The household premium discount will be removed if the other Medicare supplement policyholder whose policy status entitles you to the discount no longer resides with you or no longer has a Medicare Supplement policy through Cigna Health and Life Insurance Company or an affiliate of Cigna Health and Life Insurance Company. However, if that person becomes deceased, your discount will still apply. The addition or removal of the discount will occur on the billing cycle following the date we learn your eligibility has changed.
