Help Ease Financial Issues

You can’t predict the future. So, it’s good to plan ahead. Cigna Supplemental Solutions®, through Loyal American Life Insurance Company, can help protect your lifestyle and well being when a critical health event occurs.

Help ease the financial issues that arise when you are diagnosed with cancer. With our policy, benefits are paid directly to you, or your designee, in a lump sum payment. Benefit amounts are flexible, ranging from $5,000 to $100,000, for you, your spouse1 and your dependent children (under age 26).

No Surprises

We pay regardless of any other insurance you may have, and we pay directly to you, or your designee, to use any way you like.

How can I use the money?

How you use the cash benefit is up to you. Use the lump sum benefits to cover:

- Deductibles/coinsurance
- Prescription drugs
- Rehabilitation
- Extended hospital stays
- Experimental therapy
- Unexpected expenses

You are unique and so are your health insurance needs. Don’t let a cancer diagnosis get in the way of being who you are. Our lump sum benefits can help with the treatment costs of cancer, so you can protect your well being.

**Your Cancer Policy**

A cancer diagnosis can occur at any time regardless of your lifestyle. Lacking the proper cancer coverage to help pay for additional costs associated with treatment can affect your recovery, so it’s beneficial to plan ahead.

With our *Flexible Choice Cancer Insurance Policy*, you will receive 100% of your selected benefit amount, from $5,000 – $100,000, upon diagnosis of any cancer.

Use your lump sum benefit to help you get back to living the life you were meant to.

**Cancer Recurrence Benefit Rider**

*(Form #LY-CR-RD-DC)*

If you are concerned with a recurring diagnosis of cancer, our Cancer Recurrence Benefit Rider may pay you additional benefits should you receive subsequent diagnoses of cancer. You will receive a percentage of your benefit amount (not to exceed an additional 100% of the selected benefit amount) upon additional diagnoses of cancer provided you have not received advice or treatment for at least two years from the date of your last diagnosis.

For WOMEN, the risk is a little more than 1 in 3.

**Return of Premium Rider**

*(Form Series #LY-ROP-D)*

Our Return of Premium Rider can give you some peace of mind should your policy go unused at the time of death. Your loved ones could receive 100% of all premiums paid (policy and riders) from the rider effective date on, less claims paid, as long as the policy is paid up and in force when you pass.
