**MAINE**

**ENJOY  
RETIREMENT  
THE WAY**

**YOU WERE  
BORN TO.**

THIS IS A LIMITED POLICY which should be used to supplement your Medicare coverage.

This is a solicitation for insurance. An insurance agent will contact you. No Insurance Company or its agents are connected with or endorsed by Medicare, Social Security or any other governmental agency. Premium and benefits vary by plan selected.

Retirement is about worrying less and enjoying more. With Cigna you get more than supplemental coverage with your Medicare. You get access to valuable tools and services to help you enjoy what you've worked hard for.

## Value

We strive to maintain competitive premiums over the life of a policy. At the same time, we will not compromise the financial well-being and quality service you require.

## MyPolicyHQ.com

Access all of your policy and coverage benefits online with MyPolicyHQ. Set up automatic premium payments, print a temporary ID card, update your contact information and review claims all at the click of a mouse.

## Service

Having efficient tools means little without the personal care administered by dedicated professionals. When you contact us, we will do our best to service your concerns with effective, friendly and prompt service.

## Guaranteed Renewable

All Medicare Supplement policies are guaranteed renewable. Your policy cannot be canceled. We guarantee to renew the policy each time the premium is received within 31 days of its due date.

## Our Right to Adjust Future Premiums

You cannot be singled out for a rate increase based on your health, no matter how many times you receive benefits. The policy's rate structure is based on attained age\*. Other than increases due to your age\*, your premium will only change when the same premium change is made on the same form issued to persons of your classification in the same geographic area of your state, if coverage under Medicare changes, or if you move to a different zip code location.

## Paperless Electronic Claim Filing

Medicare Part A & Part B claims are processed electronically, eliminating paperwork for both the insured and the provider in the majority of claims.

By effectively adopting the latest technology, we strive to achieve fast claims processing times. In fact, most of our Medicare Supplement claims are processed automatically within one working day of submission.

## Choice of Doctor and Hospitals

We make it easy to get the care you need from the doctor you choose. That's why all of our Medicare Supplement policies may be used anywhere Medicare is accepted.

\*Except in AZ, AR, FL, GA, ME & MO where the policy rate structure is based on issue age, and premiums can only be increased by class.
